MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The accompanying financial statements of Islands Trust (the "Trust") are the responsibility of the Trust's management and have been prepared in compliance with legislation, and in accordance with generally accepted accounting standards for local governments as established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. A summary of the significant accounting policies are described in note 1 to the financial statements. The preparation of financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Trust's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the financial statements. These systems are monitored and evaluated by management.

The Trust, acting through its Audit Committee, meets with management and the external auditors to review the financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The financial statements have been audited by KPMG LLP, independent external auditors appointed by Trust Council. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Trust's financial statements.

INDEPENDENT AUDITORS' REPORT

To the Trustees of Islands Trust and the Minister of Community, Sport and Cultural Development

We have audited the accompanying financial statements of Islands Trust, which comprise the statement of financial position as at March 31, 2014, the statements of operations, change in net financial assets and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Islands Trust as at March 31, 2014, and its remeasurement gains and losses, its results of operations, changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

ISLANDS TRUST

Notes to Financial Statements

Year ended March 31, 2014

Islands Trust (the "Trust") is incorporated under the Islands Trust Act of British Columbia (as amended). The objectives of the Trust are to preserve and protect the Trust area and its unique amenities and environment for the benefit of the residents of the Trust area and of the Province generally.

1. Significant accounting policies:

The financial statements of Islands Trust are prepared by management in accordance with Canadian public sector accounting principles for local governments as recommended by the Public Sector Accounting Board ("PSAB") of the Chartered Professional Accountants of Canada. Significant accounting policies adopted by the Trust are as follows:

(a) Reporting entity:

The financial statements include a combination of all the assets, liabilities, revenues, expenses, and changes in fund balances and in financial position of the trust council and the local trust committees.

The Trust occasionally conducts work on behalf of development applicants on a cost-recovery basis. These trust activities are not included in the financial statements.

(i) Consolidated entities:

The Trust does not control any significant external entities and accordingly no entities have been consolidated with the financial statements.

(ii) Funds held in trust:

The Trust administers operations of The Islands Trust Fund. The annual expenses of The Islands Trust Fund are reported by the Trust in accordance with The Islands Trust Act (note 11).

(b) Basis of accounting:

The Trust follows the accrual method of accounting for revenues and expenses. Revenues are normally recognized in the year in which they are earned and measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

ISLANDS TRUST

Notes to Financial Statements (continued)

Year ended March 31, 2014

1. Significant accounting policies (continued):

(c) Revenue recognition:

Government transfers are recognized in the financial statements as revenues in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made, except when and to the extent that the transfer gives rise to an obligation that meets the definition of a liability under section PS 3200 of public sector accounting standards.

ISLANDS TRUST

Notes to Financial Statements (continued)

Year ended March 31, 2014

1. Significant accounting policies (continued):

(c) Revenue recognition (continued):

Revenue unearned in the current period is recorded as deposits or deferred revenue.

The tax revenue is recognized on an accrual basis.

(d) Cash and cash equivalents:

Cash and cash equivalents include short-term highly liquid investments with a term to maturity of 90 days or less at acquisition. Investments in the Municipal Finance Authority of British Columbia ("MFA") Bond, Intermediate and Money Market Funds are recorded at cost plus earnings reinvested in the funds. Investment income is reported as revenue in the period earned.

(e) Employee future benefits:

The Trust and its employees make contributions to the Public Service Pension Plan, which provides benefits directly to employees upon retirement. These contributions are expensed as incurred.

A gratuity is also available to employees upon retirement. The cost of this benefit is born by the Public Service Pension Plan.

(f) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets, excluding land, are amortized on a straight line basis over their estimated useful lives as follows:

Asset	Useful life - years
Furniture and equipment	5
Computers	3
Leasehold improvements	lesser of remaining term of the lease and useful life

ISLANDS TRUST

Notes to Financial Statements (continued)

Year ended March 31, 2014

1. Significant accounting policies (continued):

(f) Non-financial assets (continued):

(i) Tangible capital assets (continued):

Amortization is charged annually, including in the year of acquisition and disposal. Assets under construction are not amortized until the asset is available for productive use.

Tangible capital assets are written down when conditions indicate that they no longer contribute to the Trust's ability to provide goods and services, or when the value of future economic benefits associated with the asset are less than the book value of the asset.

(ii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at their fair value at the date of receipt and also are recorded as revenue.

(iii) Works of art and historical treasures:

Works of art and historical treasures are not recorded as assets in these financial statements.

(iv) Interest capitalization:

The Trust does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

(v) Leased tangible capital assets:

Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as leased tangible capital assets. All other leases are accounted for as operating leases and the related payments are charged to expenses as incurred.

(g) Use of estimates:

The preparation of financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the period. Significant estimates include assumptions used in estimating provisions for accrued liabilities. Actual results could differ from these estimates.

2. Cash and cash equivalents:

	2014	2013
Bank account balances	\$ 457,494	\$ 734,012
Municipal Finance Authority Bond Fund	861,744	2,906,135
Municipal Finance Authority Intermediate Fund	-	58,902
Municipal Finance Authority Money Market Fund	2,376,918	3,106
	\$ 3,696,156	\$ 3,702,155

3. Employee benefit obligations:

The Trust provides sick leave and certain other benefits to its employees and are recorded as follows:

	2014	2013
Vacation pay	\$ 67,893	\$ 73,488
Compensatory time off	26,645	25,642
	\$ 94,538	\$ 99,130

Vacation pay and compensatory time off represent the liability for accumulated banks for draw down at future dates and/or for payout on approved retirement, or upon termination or death.

Other pension plans

The Trust and its employees make contributions to the Public Service Pension Plan (the "Plan"), a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The Plan has about 56,000 active members and approximately 39,000 retired members.

Every three years an actuarial valuation is performed to assess the financial position of the Plan and adequacy of Plan funding. The most recent valuation as at March 31, 2011 indicated an unfunded liability of \$275 million for basic pension benefits. The next valuation will be as at March 31, 2014, with results available in 2015. The actuary does not attribute portions of the unfunded liability to individual employers. Employee and employer contributions to the plan were each increased by 0.40% of salaries effective April 1, 2012 in accordance with the plan actuary's recommendations. Contributions to the plan by the Trust totaled \$283,811 (2013 - \$245,590) during the year.
